

Software & Web Development Evaluation Form

Rate yourself in each area by highlighting or circling the letter on the rating scale J, PA, N, E.

(J) Journeyman = Consistently and independently demonstrates skill.

(PA) Proficient = Can independently demonstrate skill.

(N) Novice = Needs minimal prompting and/or assistance to demonstrate proficiency.

(E) Exposure = Requires significant supervision to demonstrate proficiency.

Student	Teacher	Software Development
PA	PA	Problem-solve effectively using available resources (internet, AI, books, journals)
N	N	Test application functionality and accuracy
N	N	Debug and verify code
PA	PA	Manage data collections using appropriate structures (e.g., arrays, lists)
PA	PA	Implement classes for data organization and code reusability
E	E	Write programs using Python
PA	PA	Write object oriented code using Java
PA	PA	Use version control software (git)
J	J	Develop projects using a game engine (Unity, Unreal, Godot)
Other programming languages I use		html, css, javascript, php, sql

Student	Teacher	Web Development
PA	PA	Design and develop websites using online WYSIWYG platforms
PA	PA	Build front-end websites with HTML and CSS
N	N	Develop responsive, mobile-first designs using media queries, flexbox, and CSS grid
PA	PA	Write JavaScript to provide interaction with web page elements
PA	PA	Communicate with a web service API using JavaScript
PA	PA	Develop and maintain websites using a CMS
PA	PA	Design UX/UI interfaces and prototypes
N	N	Write php to dynamically create web content
N	N	Write MySQL statements to work with databases and tables
N	N	Combine php and MySQL to create a database driven web site
N	N	Design Relational Database
Web frameworks that I use		wordpress, wix

Rate yourself in each area by highlighting or circling the letter on the rating scale J, PA, N, E.

(J) Journeyman = Consistently and independently demonstrates skill.

(PA) Proficient = Can independently demonstrate skill.

(N) Novice = Needs minimal prompting and/or assistance to demonstrate proficiency.

(E) Exposure = Requires significant supervision to demonstrate proficiency.

Student	Teacher	Workplace Skills
PA	PA	Teamwork: Contributes to the success of the team, assists others, negotiates diplomatic solutions and requests help when in need
PA	PA	Leadership: Identifies “big picture” issues and his or her role in fulfilling and motivating others to complete the mission of the workplace or project
J	J	Communication: Listens, follows directions, speaks, reads, interprets, and writes effectively within the workplace setting
N	N	Decision-Making: Selects and uses various resources to analyze and resolve tasks, problems and situations
PA	PA	Multicultural Sensitivity and Awareness: Works well with all customers and coworkers through understanding multiple perspectives
PA	PA	Planning, Organizing, and Management: Organizes and implements a plan of work

Student	Teacher	Personal Skills
N	N	Integrity: Abides by workplace/school policies; demonstrates honesty and reliability
N	N	Work Ethic: Comes to work/school every day on time, is willing to take direction, and is motivated to accomplish the task at hand
N	N	Professionalism: Dresses appropriately and uses language and manners suitable to the workplace
PA	PA	Responsibility: Takes accountability for own actions and decisions
PA	PA	Adaptability/Flexibility: Able to change to fit new and different circumstances and environments including customers and coworkers
PA	PA	Self-Motivation/Innovation: Contributes new ideas and works with initiative

Student	Teacher	Technical Skills
PA	PA	Computer and Technology Literacy: Uses computers, file management techniques, devices, services, applications, the internet, and software/programs effectively
N	N	Job-Specific Skills: Selects and safely uses technological resources to accomplish work responsibilities in a productive manner
N	N	Safety and Health: Follows safety guidelines and manages personal health
PA	PA	Service Orientation: Identifies and addresses the needs of all customers; provides helpful, courteous, and knowledgeable service
PA	PA	Professional Development: Continually acquires new industry-related information, improves professional skills, and seeks promotion including preparing to apply for a job

Audit Report For Software & Web Development Checklist (Magnus Einarsson)

Created 03/24/2025
Submission ID pVpK8E2tvphikGZwnmtoxhIEmH4ybBZVA6Ew5yRGmg2JXg0a32
